# *FOREWORD*

Life has shown no greater challenge than that received during our four years at dear ole Cooper High School. Striving toward this goal has been a pleasure and a blessing bestowed upon us by the many people who cared for and guided us.

The hectic events of our high school days have brought us closer together to help us solve the frantic problems facing us in the future world.

But the secret of happiness is not doing what you like, but liking what you do. Mistakes are made by the best of men, to say the least of us.

We, as Seniors of 1967, do sincerely hope that this book shows the hardships and pleasures we had in producing the 1967 Cooper High Eagle.

# DEDICATION

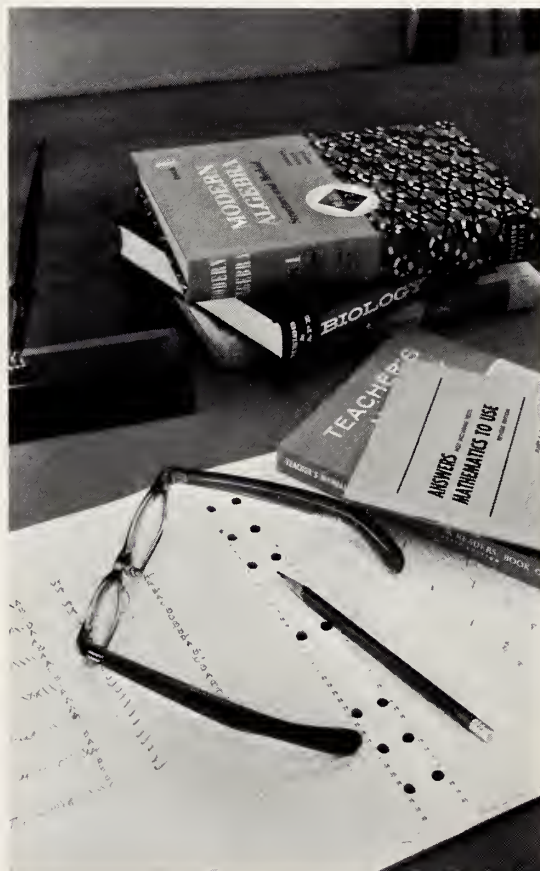

It is only proper that we, the class of 1967 should dedicate this Annual to a person who has been associated with Cooper High School for such a long time as a guiding light to all students. We feel this is more than a trivial honor of courtesy. We speak of Mrs. G. W. Kennedy.

This dedication is a small token from us, the students, Staff, and Faculty of Cooper High School. You have sent many students on the road to success through your suggestions, personal example and inspiration. You have sacrificed your leisure time to assist students in whatever capacity needed. By and large, you are a true personal friend, not only to the graduating class, but to the entire student body.

May God richly bless you, and in the years to come, may the pages of this book bring you many pleasant memories of the Class of 1967.

# ADMINISTRATION & FACULTY

# *PRINCIPAL'S MESSAGE*

The youth of today has a responsibility of the future. Your opportunities are the greatest at anytime in the history of our country. It is imperative, if this country is to survive, that you prepare yourself for service; dedicate yourself for a cause; work not only to promote your own interest; but that of your fellowman as well. Be sure to act right and wisely, for on you will depend the happiness of your generation and millions yet unborn.

# *CLASS POEM*

The class is glad that it's time to go  
But we're sad in our hearts as you all may know.  
We've struggled to reach this goal for twelve years  
And now it seems full of sadness and tears.

To the Principal first of all, we give thanks to you.  
You've been kind, thoughtful, and true.  
Then to the teachers we give our thanks,  
You've stuck with us through all our pranks.

When we leave these halls there're some things that we'll forget  
But nothing we've learned will we regret.  
We're grateful for all you've done for us  
Even though you've sometimes had to fuss.

To those we leave behind, stay on the track  
Because when you get off, it's hard to get back.  
We've almost made it, and so can you;  
Just make up your mind what you really want to do.

We're leaving soon; the time is nigh.  
Yet in our hearts we'll remain at dear "Ole Cooper High".  
Wherever we meet on earth or in heaven  
We're asking you to please remember us as the Class of "67".

Dianne Richardson
